

Greyhound Sponsorship

Your \$50 contribution for a Greyhound sponsorship assists us in providing veterinary services, board and care, monthly medications, and other costs associated with placing an adopted Greyhound. We are so appreciative of your support!

When selecting an adoptable Greyhound to sponsor, you have two choices:

- Let Southeastern Greyhound Adoption choose an adoptable Greyhound for you to sponsor, or
- Choose a specific adoptable hound (you can view SEGA's adoptable Greyhounds at <http://www.greyhoundadoption.org/adopt/adoptables.cfm>).

When you sponsor a SEGA Greyhound, your name will be included with that Greyhound's picture on the page of adoptable Greyhounds on our website. We cannot guarantee how long your choice will be displayed on the page of adoptable Greyhounds, as dogs are regularly being adopted. Once your sponsored Greyhound is adopted, however, your name will continue to be displayed with the dog, acknowledging your sponsorship in perpetuity.
